The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the consolidated financial statements. Under this guidance, the Organization may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities, based on the technical merits of the position. There were no unrecognized tax benefits identified or recorded as liabilities for the reporting periods presented in these consolidated financial statements.

Form 990, Part I, Line 1, Description of Organization Mission:

Chicago Public Media serves the public interest by producing and delivering diverse, compelling content of multiple viewpoints and expression. We act as the circuit that connects residents of our region to one another, to the nation, and to the world in a relevant and evocative way. We are a regional resource fostering full and active citizenship by creating connections and remaining present and involved broadly in community life.

CPM will serve as a neutral and imperative meeting place for everyone, a polycultural arena in which difference is honored and in which information and culture are communicated with vitality through authentic voices speaking from human perspectives and daily experience.

We are national leaders in the use of current and emerging delivery systems and platforms to prompt rational discourse and compelling discovery among our publics. We use multiple avenues of distribution technologies to insure availability of our services to all potential users in our region. Likewise we embrace the concept of giving access to our institution to our publics by listening, learning, and co-constructing our strategies and content with them.

We act as the circuit that connects residents of our region to one another, to the nation and to the world in a relevant and evocative way. Through our programming, we urge our audience to recognize that they are global citizens, while also being mindful of the locality in which they reside. As such, we present stories relating to all aspects of the world, from our community bureaus located at the neighborhood level, to regional and national news programming covering all fifty states to international news and programming providing a unique perspective on world events and stories.

We are a regional resource fostering full and active citizenship by creating connections and remaining present and involved broadly in community life. By interacting with our audience at the community level, we form a network of partnerships as they engage with us on stories that are relevant to them and in turn, their involvement drives our work to be deeper and more involved. We also provide an outlet and voice to those who would otherwise have none.
